Order for the payment of the expenses of complainants and witnesses attending criminal courts in the Madras Presidency outside the Presidency town.

No. 855.—Under section 443 of the Code of Criminal Procedure, the Governor-in-Council, with the previous sanction of the Government-General in Council, is pleased to make the following revised rules for regulating the payment, on the part of Government, of the expenses of witnesses (including complainants) attending criminal courts in the Madras Presidency other than those of the City of Madras:—

1. The criminal courts are authorized to pay, at the rates specified in rule 4, the expenses of complainants and witnesses in cases in which the prosecution is instituted or carried on by, or under the order, or with the sanction of the Government, or of any Judge, Magistrate, or other

public officers, or where it shall appear to the Judge or Magistrate² presiding over such Court to be directly in furtherance of the interest of public justice; also in cases ordered by subsec. 3 of Subsection II appended to the Code of Criminal Procedure so not believe; and in all cases in which the witnesses are compelled to a trial by a Magistrate under the provisions of Chapter XLVI of the Code.

2. (1) For the purpose of these rules witnesses are divided into two classes, namely, of officials and non-officials. Official witnesses, that is to say, public servants, in "where the Civil Service Regulations are applicable" summoned to give evidence as officials, are entitled to receive for their journeys to and from the court and for the days spent by them in attendance at the court to give evidence in cases coming under rule 1, travelling allowances at the rates prescribed by the Civil Service Regulations for the time being in force. They shall not, however, make any payment to official witnesses in such cases, but shall grant them certificates setting forth that they appeared to give evidence of what had come to their knowledge, or of matters with which they had to deal, in their official capacity, the date on which they appeared and the period for which they are detained, so as to enable them to draw travelling allowances and fees under article 1183 of the Civil Service Regulations.

Exception—(a) In cases in which a public servant has to give evidence at a court situate not more than five miles from his headquarters, the court is authorized, where it considers it necessary, to pay him the actual travelling expenses incurred.

(3) When a public servant appears in his official capacity as a witness in other cases (e.g., in cases in which section 344 (2) or 227, Code of Criminal Procedure is applied), the party at whose instance he is summoned shall pay him the travelling and lodging allowances admissible to him under the Civil Service Regulations. The amount so prepaid shall be credited to Government, but the court shall give the witness a certificate containing the particulars specified in rule (1) above so as to enable him to draw the travelling and lodging allowances admissible under article 1183 of the Civil Service Regulations. When a public servant appears to give evidence in any case as a private person, travelling allowances and fees may be paid to him in the ordinary manner, but the court shall send an advice of all such payments made to him to the head of the office in which he is employed. In this advice the amount paid as before and the period during which the attendance of the witness in court was necessary shall be stated.

(4) When an official of the Court of Wards appears in his official capacity as a witness in a case connected with an estate under the superintendence of the Court of Wards, the Judge or Magistrate before whom the trial takes place will furnish such official with a certificate showing the days on which he attended to give evidence and the amount of hotel and travelling allowances paid to him on that account.

(5) When a public servant whose regulations are governed by the Army Regulations, India, appears in any case under rule 1 to give evidence in his official capacity, he shall be paid the travelling allowances and fees admissible under these rules, and shall be furnished with a certificate showing in detail the amount paid. If the amount paid is less than the amount admissible under the ordinary rules to which he is subject, the difference will be paid to him by the military authorities on production of the certificate.

3. Medical subordinates in local, local or municipal employ (including Government servants sent to and paid by local bodies) when attending court to give evidence in their public capacity shall be paid the same rates of travelling allowances and fees as would be admissible to Government servants of similar grades under the Civil Service Regulations.

4. Non-official witnesses are entitled to travelling allowances under two different rules as shown below according as they are (1) Europeans or Europeans, or (2) Indians. Persons falling under either of these descriptions are, for the purpose of these rules, divided into three classes; and the Judge or Magistrate before whom they are required to appear either as complainants or as witnesses shall be careful to fix the class with due regard to the station in life which they occupy—

5. In cases within rule 1, the Commissioners of Police may make reasonable advances to witnesses resident in the city of Madras who are summoned by a criminal court in the mutual and who require the advances to enable them to reach the court. The court issuing the summons, on being advised by the Commissioners of Police of the advances made, will refund the amount to him.

6. The distance for which mileage and the number of days for which huts should be allowed for the journey to and from the station at which the court is held and for attendance at court shall be determined by the Judge or Magistrate ordering the payment in each case.

7. All bills for travelling allowances and huts to complainants and witnesses attending before the courts of magistrates of the second and third classes shall be scrutinized by the magistrates of the division in which such courts are situated before the charges included in them are finally passed.

8. Wherever magistrates discuss a case on evidence or questions under section 350 of the Code of Criminal Procedure, no travelling allowance or huts shall be granted to the complainant in such case.

9. The criminal courts are authorized to pay the necessary and actual expenses of carriage to a witness travelling by road, in the case of persons whose sickness, age, position or habits of life render it impossible for them to walk, provided the expense incurred under this rule shall in no case exceed Rs. 5 a mile.

10. To Tollies and Kowpoos granted in the first class of non-officials, there may also be allowed the actual cost of carriage-hire to and from court on the days of attendance at court.

11. Subjects of the French Government who are in the official employ of that Government in the French Dependencies in India appearing as witnesses before criminal courts in the Madras Presidency may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like cases. Magistrates are required to refer any doubtful claim for sanction to the Collector of South Arcot who is the Special Political Agent for the French Dependencies in India.

The claim should be submitted through the head of the department to which the official belongs.

13. Officials of the Mysore Durbar appearing as witnesses in their official capacity before courts in the Madras Presidency may, if such claim be made, be paid their expenses at the rates at which they would be entitled under the Regulations of their own Government. This arrangement may be extended by the Government to other Native States which have agreed to pay the expenses of British official witnesses from the Madras Presidency appearing in their courts on the same scale as that admissible to them under the Regulations of the Madras Government.
